

Dear Families:

At HERO CENTRAL, your kids will discover an interactive, energizing week long program that will give them an opportunity to discover their strength in God. They will become Heroes and explore how to serve God and God's mission for their lives.

After a high-energy opening assembly at Hero Central, Heroes make their way through several activity stations. Our daily Bible Story will include interactive lessons that reveal Hero Codes to equip your Heroes for an active life with God. We will learn Hero Verses (Bible memory verse) that will remain with them in their faith long after VBS.

The children will be grouped by grade level and expand on what they've discovered by participating in lots of different activities throughout the week in each of the Station headquarters:
