

PARISH MORNING OF SERVICE – NOVEMBER 3, 2018

Serving Christ and the community with mercy, compassion and humility

The projects for the 2018 Morning of Service are listed below. We tried to select projects that not only accommodate the abilities, talents and interests of *all* parishioners but provide a means to actively live our faith and fulfill our Baptismal call to serve as disciples of Jesus.

Detailed descriptions are posted in the gathering space and on the parish web site. On-line signups begin September 8 and remain open until mid-October or until a project reaches capacity. We encourage *everyone* to participate - all ages, all abilities. If physically able, we urge you to select an off-site project, so that we can be visible in our community as the hands and feet of Jesus.
