### IMPORTANT

#### GENERAL INFORMATION ABOUT COMMUNITY SERVICE SELECTIONS

- You are encouraged to sign up for any/all service opportunities that you are interested in. You will then receive reminders throughout the year and can confirm your participation. You are not committing to all the opportunities you mark off, just expressing interest.
- If you only check 1 box and for some reason are not available for that service, or the planned event is canceled, you will not receive additional reminders throughout the year.
- You can email us to be added or removed from any service opportunity that is not full.
- As new opportunities become available throughout the year, they will be published in the weekly parish bulletin. You can view the bulletin online as well.
