

## **Ladies Auxiliary of Knights of Columbus Council 10013**

### **Description**

The Ladies Auxiliary of the Knights of Columbus Council 10013 was formed in September of 2012 and now has over 26 members. We are a sisterly group of woman of the church whose goal is to support the Knights in their efforts. We bake, help with, and serve at the meals the Knights put on for their many fundraisers during the year, as well as helping with the Christmas Caroling Party at Glendale Home, adopting a family from Catholic Charities and providing gifts, and other activities.

### **Meetings**

We meet at the same time as the Knights, the first Tuesday of the month, at 7 PM, September thru June. The first half hour of our meeting is spent doing a Faith-Sharing Reflection on the upcoming Sunday's Gospel. After the business part of our meeting we have coffee (decaf), tea, and dessert provided by 2 members. We are a sisterly organization, and many of the Knights join us after their business meeting for refreshments.

### **Who can join?**

The Ladies Auxiliary is open to (1) the wives, mothers, sisters, and daughters over the age of 18 of Knights of Columbus members (present and deceased), and the woman need not be Catholic, (2) as well as woman of the parish who want to support the efforts of the Knights.

There are no dues, but we request each member purchase a nametag with the Ladies Auxiliary. We have ordered Ladies Auxiliary aprons, which are very popular and worn at the meals we help the Knights with.
