Dear Immaculate Conception Parish Family,

As we navigate these uncharted waters of coronavirus and its impact, we wanted to send you an email update to keep you posted about our parish community here at Immaculate Conception.

- Fr. Jerry will be offering mass as a live event on our parish Facebook page this Sunday, March 22 at 9AM. If you miss it you will find the video on our page to watch later. Currently, **there are no public masses or services going on anywhere in our diocese, everything is suspended.** This mass is absolutely not open to the public. We appreciate your willingness to join us online from the safety of your own home.
- Please like and follow our Facebook page [Immaculate Conception Glenville](#) for this and other live events we hope to bring you. Encourage your friends and loved ones to follow us as well. All are welcome, no matter who and where they live.
- On Wednesday March 25 we will offer a soup lunch via home delivery. If you would like soup delivered, please see details below and complete [THIS FORM](#) or call the Youth Ministries Office at 518-399-9203.
- We are still working and are here to help you with anything. If you need practical help, such as picking up your groceries, or if you want spiritual comfort, please call 518-399-9168 or email us [icchurch400@gmail.com](mailto:icchurch400@gmail.com) We are here for you.
- Just a reminder, that for the time being the church is open during the day for prayer if you wish to stop by for some quiet time with God.

Thank you for your support and please know that we are always ready to support you in whatever ways we can!
