Description/Mission

Our program is offered as part of our Tri-Parish Community and provides opportunities for our youth from Immaculate Conception, Our Lady of Grace and St. Joseph's Parishes. We learn and grow with our faith.

Our Church embraces the philosophy of "Comprehensive Youth Ministries" (CYM) The goal of CYM is to utilize 8 components of ministry to ensure that youth are fully engaged in all aspects of our Church. Many people think of youth ministries as going to "religion classes" - "Catechesis" (learning about faith) is 1 of the 8 components but CYM is SO much MORE than just religion classes! We have fun while learning our faith.
