Description/Mission

The Divine Mercy Chaplet is a Catholic prayer that asks for God's mercy and is based on the reported visions of Jesus by St. Faustina Kowalska (1905–1938). The chaplet can be prayed with a rosary, but it's not required, and it only takes a few minutes.

In preparation for praying the Chaplet on Tuesday mornings, the Divine Mercy image is placed out by those who prepare for the Tuesday morning 9:00 Mass. After the Chaplet is prayed Tuesday mornings the image is left out because there is afternoon Adoration. After adoration, it is again left out so that it is readied for praying the Wednesday morning Chaplet. After the Chaplet on Wednesday morning, it again is left out because there is a group that comes in Wednesday evening at 6:15 to pray the Rosary as well as the Chaplet. Someone from that group returns the image to where it is stored.
